COUNTRY CORNER BARN

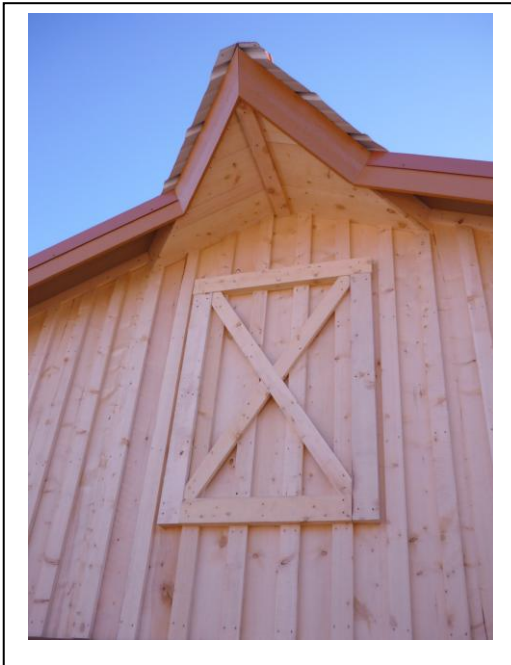

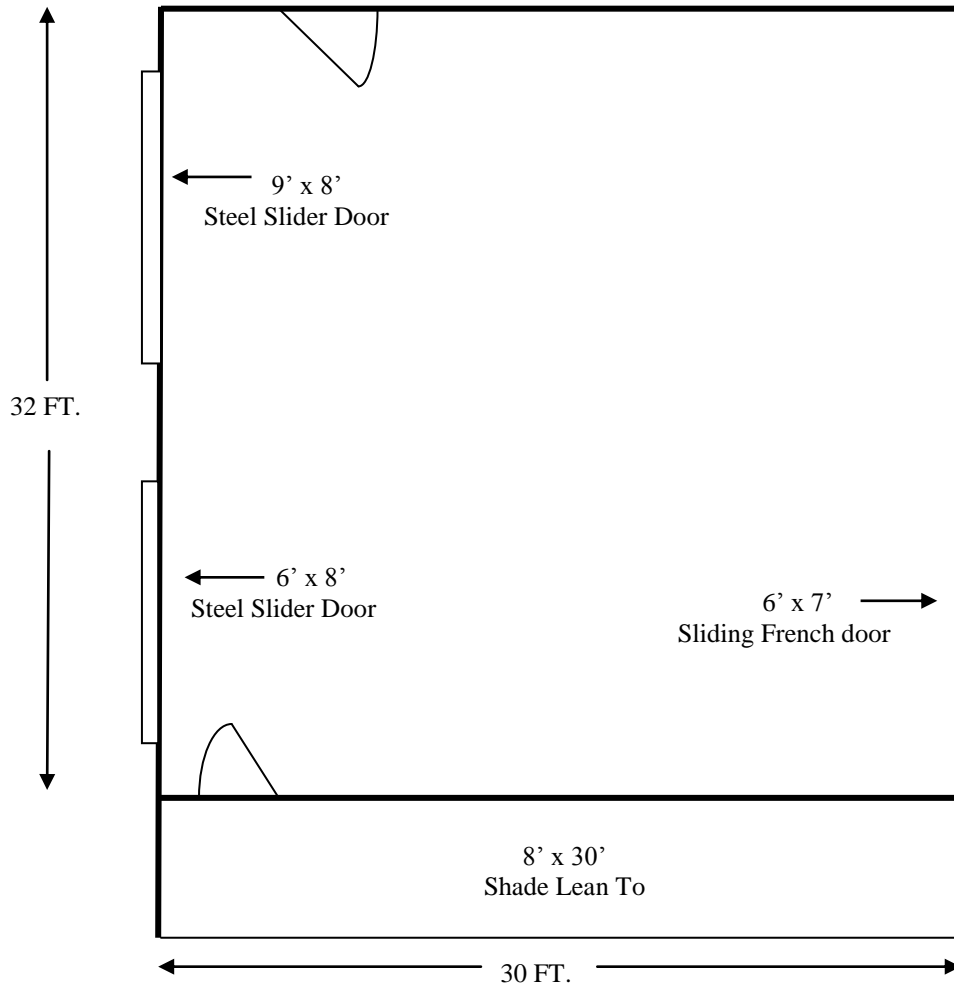

This spacious open floor plan allows for a work shop on one side and stalls on the other. The shade lean-to is a great place to sit out of the weather. Widow's peak and fake upper door accent the front of the barn. Three doors and five windows allow for lots of natural light, great ventilation and easy access.

All designs shown are the property of American Classic Barns, Inc. and cannot be used, in part or whole, without express written permission from American Classic Barns, Inc., P.O. Box 187, Masonville, CO 80541.
